AGA Health Plan FAQs

Can I elect Dental and/or Vision coverage without electing Medical coverage?

Yes, you may elect Medical coverage or Dental coverage on a standalone basis. You may elect Vision coverage if you also elect either Dental coverage or Medical coverage.

When and how do I enroll?

Open enrollment will be February - March, for coverage starting April 1,2024. Each member company must complete a Participating Employer Agreement prior to open enrollment. Please visit www.GrocersHealthTrust.com for the agreement, or contact Patrick Pittman at 205-215-8152.

What if I'm already enrolled in another health plan?

Open enrollment is a Qualifying Life Event. If your company already offers another health plan, you are still eligible to enroll in the AGA Health Plan. Credit may be given for the deductible that you have reached on your current health plan. You may discuss credit for your deductible with the Benefits Educator during your scheduled appointment.
