Alabama Grocers Association is proud to provide our member companies and their employees with a comprehensive and competitive benefits program. Our program offers a broad range of plan options to meet the needs of our diverse workforce. We know that your benefits are important to you and your family. This program is designed to assist you in providing for the health, well-being and financial security of you and your covered dependents. Helping you understand the benefits AGA offers is important to us and that is why we have created this Employee Benefits Guide.

We encourage you to review each section and to discuss your benefits with your family members. This guide is not an employee/employer contract. It is not intended to cover all provisions of all plans but rather is a quick reference to help answer most of your questions. Information presented here does not cover all details and limitations for the plans. Additional information is found in Summary Plan Booklets. You can find these summaries and other plan documents at [www.GrocersHealthTrust.com](http://www.GrocersHealthTrust.com). The legal plan documents and master insurance policies are the final authority in determining benefits. AGA reserves the right to amend its plans from time to time and has the right at any time to terminate any plan or benefit. Participation in the plan described does not constitute any contract of employment.

Please see your Summary Plan Description for complete details. We hope this guide will give you a clear explanation of your benefits and help you be better prepared for the enrollment process.

# ELIGIBILITY & ENROLLMENT

## WELCOME TO YOUR NEW EMPLOYEE BENEFITS

### WHO IS ELIGIBLE

You are eligible for benefits if:

- Your employer has completed an AGA participating employer agreement and
- You are a full-time associate working at least 30 hours per week or 130 hours per month

### EFFECTIVE DATE OF COVERAGE

During the plan year, eligible new hires will be subject to a waiting period determined by the applicable benefit. Most plans will become effective the first of the month following the waiting period. If you enroll in benefits during Open Enrollment, your benefits will be effective April 1st.

### WHEN TO ENROLL

Benefit eligible associates have the two following opportunities to enroll in the associate benefits program:

**NEW HIRE ENROLLMENT.** New hires have thirty days from their date of hire to enroll in AGA's benefit coverages. Most plans become effective first of the month following 30 days. Associates not enrolling during this period must wait until the next open enrollment to elect coverage. If you have questions, please contact your manager.

**OPEN ENROLLMENT.** For the 2025 plan year, AGA's annual open enrollment period will take place beginning February 12, 2025 and will close March 7, 2025. All changes and elections will be effective April 1. For existing participants, no action is required unless you want to make changes or elect a new line of coverage. Your 2024 benefit elections will automatically rollover to the 2025 plan year.

## HOW TO ENROLL

*We provide multiple options for enrollment based on the needs of each employer. Please contact your Human Resources team or Plan Administrator for more details.*

*If you need additional information on the plans please visit the benefits website at [www.GrocersHealthTrust.com](http://www.GrocersHealthTrust.com)*

## WELCOME TO YOUR NEW EMPLOYEE BENEFITS

### WHEN YOU CAN MAKE CHANGES

**AGA benefits plan year is from April 1 to March 31.** Generally, you can only change your benefit choices during the annual Benefits Enrollment period.

You are also allowed to make benefit changes if you have an IRS “Qualifying Event” during the year, which includes:

- Marriage or Divorce
- Birth, adoption or placement for adoption of an eligible child
- Death of your spouse or covered child
- Change in your spouse’s work status that results in cancellation of your benefits
- Your dependent child is no longer eligible
- Loss of coverage through a parent’s plan
- Becoming eligible for Medicare or Medicaid during the year

**If you have a life event change, you must submit notification to your manager within 30 days of the qualifying event.** Depending on the type of change, you may need to provide proof documentation (for example, a marriage license or birth certificate). If you do not submit notification within 30 days, you will have to wait until the next annual Open Enrollment period to make benefit changes.

### WHEN COVERAGE ENDS

Benefits end on the last day of the month in which your employment ends, or when you cease to meet eligibility guidelines.

## BLUE CROSS BLUE SHIELD OF ALABAMA

AGA is proud to offer three medical plan options in 2025, all utilizing the Blue Cross and Blue Shield of Alabama Custom 5000 Plan. We call this our Silver Plan. We also offer a Premier Plan, which couples the Blue Saver 5000 with a Secondary Medical Plan. We will also be offering a new medical option in 2025 called our Value Plus option. This plan will provide a mid-level benefit between our Silver option and Premier option. More details can be found below. Both plans utilize the full BCBS Preferred Provider Organization network.

All plans use the BCBS network of providers who have agreed to charge discounted rates to plan members. The amount you pay for health care will vary depending on whether or not you use in-network providers and facilities. You always have the choice to go to any provider, but you'll pay less if you stay within the Blue Cross Blue Shield of Alabama network.

# MEDICAL INSURANCE

## MEDICAL PLAN OVERVIEW

### MEDICAL INSURANCE BASICS

#### DEDUCTIBLE

The amount you pay for covered health care services before your insurance plan starts to pay.

#### CO-INSURANCE

The percentage of costs of a covered health care service you pay after you have paid your deductible (20% for example).

#### OUT-OF-POCKET MAXIMUM

The most you have to pay for covered services in a plan year. After you spend this amount on deductibles, copayments, and coinsurance, your health plan pays 100% of the costs of covered benefits for the remainder of the year.

### WHICH PLAN IS RIGHT FOR ME?

#### PREMIER PLAN

The premier plan provides a higher level of benefit coverage. While the premium is also higher, it is for good reason. When you elect the premier plan you are automatically enrolled in secondary medical coverage. Secondary medical coverage provides a layer of additional insurance protection designed to significantly lower your overall out of pocket costs. This plan may be the best fit for you and your family if you anticipate regularly using the plan or historically have various medical expenses throughout the year.

#### VALUE PLUS PLAN

New for 2025, the Value Plus plan balances cost and coverage. It includes a MedPlus secondary policy with a \$2,000 deductible and \$4,000 out-of-pocket max, offering more benefits than the Silver plan but lower premiums than the Premier plan.

#### SILVER PLAN

The silver plan provides a basic level of insurance coverage. The cost of the plan is less because the overall benefit has much higher deductible and overall out of pocket costs. This plan may be the best fit for you and your family if your goal is to have protection against a catastrophic and unexpected medical expense and do not historically have medical expenses.

# MEDICAL INSURANCE

## SECONDARY MEDICAL PLAN OVERVIEW

### WHAT IS SECONDARY MEDICAL?

You are automatically enrolled in secondary medical coverage when you elect the Premier or the Value Plus Medical Plan coverage option through the AGA. Secondary medical coverage provides additional protection by allowing coverage for various eligible medical expenses that you would traditionally pay out of pocket for. There is no separate network or medical review for the Secondary Medical policy. You will have access to the same full network of BCBS providers

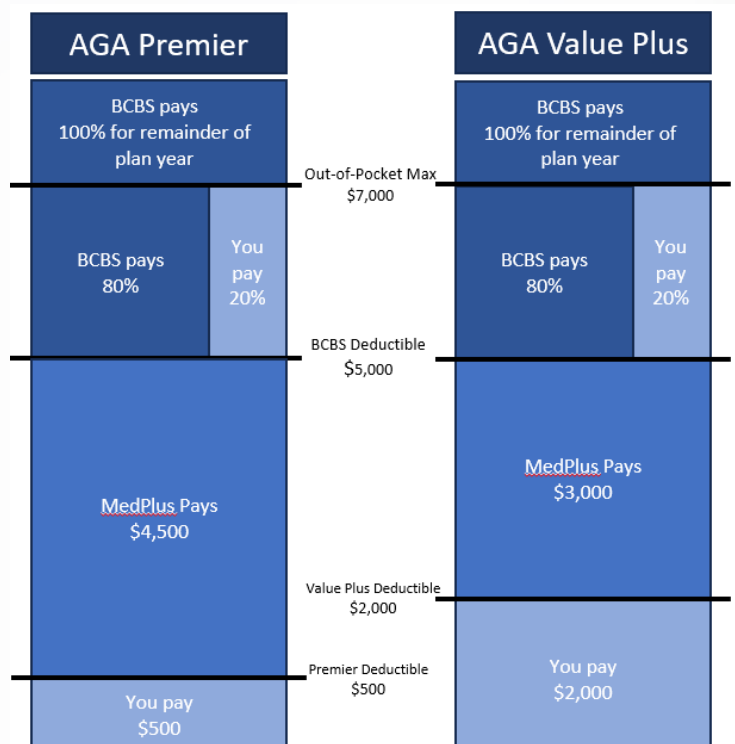

**Eligible Secondary Medical Expenses include (but are not limited to):**

- Diagnostic tests (such as lab work)
- Hospital charges (facility & physician)
- MRI's, X-rays, Chemotherapy, Radiation, etc.
- Ambulance transportation
- Emergency Room expenses
- Procedures performed at an outpatient facility
- Other covered services (Physical Therapy, Chiropractic care, etc.)
- Mental, Nervous & Substance Abuse

### HOW THE PLAN WORKS

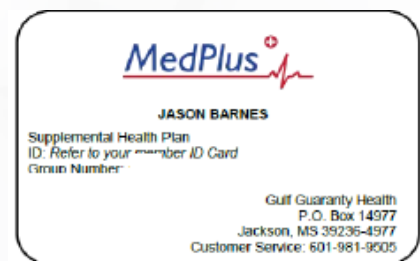

- By electing the Premium Medical Plan, you will be responsible for covering your first \$500 in eligible medical expenses.
- Your secondary coverage plan will then step-in to pay the next \$4,500 of you BCBS deductible (Excluding copays - as they do not apply to the deductible).
- Once your Secondary Medical plan has paid out the maximum \$4,500 benefit, you will only have responsibility for an additional out of pocket amount of \$2,000 in medical expenses. (Up to this point you will have only paid your \$500 deductible)
- Once you have met your total \$2,500 out-of-pocket maximum, your BCBSAL plan will pay 100% for covered medical expenses for the rest of the year (including copays)!

**Please Note:** Secondary coverage does not cover office visits, prescription drug co-pays or home-health services. \*Example shown reflects single coverage.

### USING YOUR BENEFITS—NEW MEDPLUS ID CARD

Members will receive ID cards for both Blue Cross Blue Shield of Alabama and MedPlus. When visiting a medical provider or any other healthcare facility, you will provide **both** insurance cards for proper claims processing.

# TELEMEDICINE

## TELADOC

Telephone and online video consultations are available for all associates & family members enrolled in medical coverage.

Unlimited services are available to members and provide a quick and easy service to diagnose, treat and prescribe medication (when necessary) for certain general medical issues. # DENTAL INSURANCE

## CANOPY DENTAL

AGA is pleased to announce dental enhancements in 2025. We will be offering Canopy dental, an Alabama based carrier who uses the Southland network. Your dental plan provides coverage to help with the cost of many dental services including routine cleanings, x-rays, restorative and prosthetic services. The plan includes an extensive network of dental providers. Maximize your benefits by selecting an in-network dentist to save more on all covered services and avoid balance billing.
